

Coastal Bend COLLEGE

2018 CBC Wildlife Calendar Now Available

For Immediate Release: November 15, 2017

**Contact: Bernie Saenz, Director of Marketing & Public Relations,
Coastal Bend College (361) 354-2258**

BEEVILLE-- Coastal Bend College is proud to announce the arrival of the 2018 Coastal Bend College Wildlife Calendar. The 2018 CBC Wildlife Calendar features stunning photographs showcasing South Texas birds, animals, vegetation and flowers that are native to the area.

The calendar would not be possible without the work of the following local photographers: Cissy Beasley, Robert Benson, Cosme Castillo, Nick Ottensman, Sylvia Garcia-Smith, Jackie Waters, and Maggie Wejko-Towner.

Free copies of the 2018 CBC Wildlife Calendar are available at all CBC locations (Beeville, Alice, Kingsville and Pleasanton), the Alice Chamber of Commerce, the Kingsville Chamber of Commerce, the Pleasanton Chamber of Commerce, Beeville Bee-Picayune, Hogue's Jewelry (Beeville), and the Wicker Basket while supplies last.

Photo submissions for the 2019 CBC Wildlife Calendar will be accepted in late May 2018. Any questions or inquiries about the wildlife calendar can be directed to Bernie Saenz, Director of Marketing & Public Relations for Coastal Bend College at (361) 354-2258 or via email at bsaenz@coastalbend.edu.
